

Discussion Points

1. Does your board commit any of the 10 governance never events? If so, why, and what contributes to the governance failures?
2. Considering all 10 governance never events, which one presents the greatest challenge to your board?
3. Where do you have the greatest opportunity to improve your governance effectiveness?
4. What ideas do you have for specific initiatives the board could undertake to avoid experiencing any of the governance never events?
