2. Select ADD TO CART AND CHECKOUT.

CAUTI

Quick Overview:

Urinary catheter placement is a common procedure in the emergency department, and the emergency nurse plays a significant role in the reduction of catheter associated urinary tract infection (CAUTI). The Emergency Nurses Association, in partnership with the Agency for Healthcare Research and Quality (AHRQ), has developed this course to help emergency nurses analyze the appropriate use of indwelling catheters and provide tools to remove obstacles involved with effecting change. ...
