## Q18 What is the single most important change we should make to improve your experience next time?

Answered: 14 Skipped: 13

#	RESPONSES	DATE
1	Not sure since I don;t have anything to compare to.	10/17/2018 7:56 PM
2	The first day, while it was short, was mentally exhausting with all of the ideas. Maybe we should have a lighter topic to begin the meeting with.	10/15/2018 2:09 PM
3	Go back to previous timeframe format which allows attendees to see a little of the place they are visiting. This schedule only allowed us one evening to "see" Denver by means of the ghost tour. we need some additional blocks. Open with optional session that starts around 2:00 or 3:00 on first day.	10/15/2018 2:08 PM
4	While the AHA content is important, it is lengthy and tedious. Perhaps just a different presentation format or something more interactive might help.	10/15/2018 10:35 AM
5	I think it would be good to have time on the agenda for the group to have small discussion groups	10/15/2018 8:08 AM
6	no suggestion.	10/15/2018 6:32 AM
7	When we do round robins the group should multivote on topics we want more information on and allow time in the schedule to work on those.	10/14/2018 12:52 PM
8	n/a	10/12/2018 5:26 PM
9	John and his team did a great job. Thank-you so much!	10/12/2018 4:11 PM
10	I think we were going to have breakfast roundtable discussions on things we identified in the opening group debrief but that never happened	10/12/2018 2:46 PM
11	?	10/12/2018 2:08 PM
12	Ask speakers to provide powerpoints to the group ahead of time. I was able to write notes, but it would be great to write them next to a slide or other contextual document	10/12/2018 1:50 PM
13	Repeat Arizona - have an afternoon off to explore the city by meeting earlier and finishing earlier. Be flexible, get the meeting time in, but let folks have a little time to enjoy the location.	10/12/2018 1:48 PM
14	Have it in Virginia	10/12/2018 1:46 PM
