Hospital Referral Work Flow

Opioid Follow-Up Program

Patients evaluated for behavioral health concerns in ED

- Plan to hospitalize (medical or psychiatric)
  - Follow standard admission practices
- Plan to discharge home
  - Introduce follow-up program to patient, invite patient to participate

Decline
- Complete spreadsheet as "Patient Invited But Declined"
- Follow standard discharge practices

Accept
- Call Rocky Mountain Crisis Partners (RMCP) at 1-888-211-7766, give phone to patient. RMCP sets time to follow-up with patient.

Follow-up services provided
- Ongoing support until appointments are scheduled/attended
- Identification of barriers to treatment
- Reassessment of behavioral health needs and risk assessment
- Review discharge plan made at ED
