Colorado Hospital Association

# 2020 CHA Sepsis Conference

## Overview

The 2020 CHA Sepsis Conference will focus on the latest updates to pediatric sepsis care; reducing mortality by implementing evidence-based sepsis care; understanding the current research and concerns surrounding fluid administration in sepsis care; hospital success story on sepsis and readmissions; balancing the scales between fast antibiotic administration for sepsis and the need for antimicrobial stewardship; and review of the need for sepsis work across the continuum of care.

## Target Audience

The 2020 CHA Sepsis Conference is directed to physician and nursing leaders, chief quality officers, sepsis coordinators, quality and safety professionals, educators, population health specialists, case managers and long-term care providers, as well as any other members responsible for safe patient care. The meeting is open to CHA member hospital and health system employees, non-member health care professionals and CHA associate members.

## Learning Objectives

- Understand clinical application of the first Surviving Sepsis Campaign guidelines dedicated exclusively to pediatric sepsis (to be released February 2020)
- Discuss the need for balancing prompt sepsis care and antimicrobial stewardship
- Learn how to overcome common barriers and implement best practices related to the early sepsis management bundle.
- Identify opportunities for providing needed sepsis care across the continuum of care
- Explore Penn Medicine's efforts to reduce readmissions related to sepsis and the associated positive financial impact
- Discover current clinical studies aimed at fluid administration in treating sepsis
- Understand the long-term impact of sepsis from a maternal sepsis survivor

## Schedule-at-a-Glance

### TUESDAY, MARCH 24

7:00 – 8:00 a.m.

Registration and Networking Breakfast

8:00 – 8:15 a.m.

Welcome and Opening Remarks

8:15 – 8:45 a.m.

A Mother's Journey Through Maternal Sepsis with Sarah Kiehl

8:45 – 9:45 a.m.

Optimizing Sepsis Care in 2020 with Sean Townsend, MD

9:45 – 10:30 a.m.

Critical Partners in Patient Safety: Sepsis Quality Improvement and Antibiotic Stewardship with Arjun Srinivasan, MD, FSHEA

10:30 – 11:00 a.m.

Networking Break

11:00 a.m. – 12:00 p.m.

Beyond the Hospital Walls: Sepsis Recognition and Management with Pat Posa, RN, BSN, MSA, CCRN-K, FAAN

12:00 – 1:00 p.m.

Lunch

1:00 – 2:00 p.m.

Sepsis Survivorship and the Continuum of Quality Health Care with Juliane Jablonski, DNP, RN, CCRN, CCNS

2:00 – 3:00 p.m.

Making Sure that Kids Survive Sepsis: What's New, What's Old and What's Different About Pediatric Sepsis with Halden Scott, MD, MSCS

3:00 – 3:15 p.m.

Networking Break

3:15 – 4:15 p.m.

Fluid Resuscitation and the Three Bears: Getting to Just Right with Mark Kearns, MD

4:15 – 4:30 P.M.

Next Steps Discussion

# Agenda

7:00 – 8:00 a.m.

## Registration and Networking Breakfast

8:00 – 8:15 a.m.

## Welcome and Opening Remarks

8:15 – 8:45 a.m.

## A Mother's Journey Through Maternal Sepsis

*Sarah Kiehl, sepsis survivor*

Join Sarah as she tells her story of sepsis survival following the birth of her twins, a subsequent hysterectomy and the long road to recovery.

8:45 – 9:45 a.m.

## Optimizing Sepsis Care in 2020

*Sean Townsend, MD – Sutter Health*

Sepsis is the number one cause of death of inpatients in United States hospitals and the most costly health condition treated nationally. Strategies to reduce mortality exist and when reliably implemented save lives. This session will focus on reliable implementation of best practices and review evidence supporting key interventions.

9:45 – 10:30 a.m.

## Critical Partners in Patient Safety: Sepsis Quality Improvement and Antibiotic Stewardship

*Arjun Srinivasan, MD, FSHEA – Centers for Disease Control and Prevention*

In this session Dr. Srinivasan, CDC's expert on antimicrobial stewardship and healthcare-associated infections, will discuss the importance of sepsis management in improving antibiotic use and the importance of antibiotic stewardship in optimizing sepsis management – how to collaborate and achieve balance.

10:30 – 11:00 a.m.

## Networking Break

11:00 a.m. – 12:00 p.m.

## Beyond the Hospital Walls: Sepsis Recognition and Management

*Pat Posa, RN, BSN, MSA, CCRN-K, FAAN – Michigan Medicine*

Every two minutes someone in the United States dies of sepsis. Eighty percent of sepsis cases begin outside of the hospital.

To significantly impact overall sepsis mortality, health care providers cannot focus on care of the patient only when they are in the hospital. This session will review collaborative programs with both home care and skilled nursing facilities for early recognition and management of sepsis. Pat will also provide the audience with toolkits that can be implemented in facilities across the state.

12:00 – 1:00 p.m.

## Lunch and Networking

1:00 – 2:00 p.m.

## Sepsis Survivorship and the Continuum of Quality Health Care

*Juliane Jablonski, DNP, RN, CCRN, CCNS – Penn Medicine*

This session will discuss Penn Medicine's system-wide strategy for improving quality of life for sepsis survivors and how value-based care can lead to better outcomes after sepsis. Dr. Jablonski will also share the associated positive financial impact of this strategy.

2:00 – 3:00 p.m.

## Making Sure that Kids Survive Sepsis: What's New, What's Old and What's Different About Pediatric Sepsis

*Halden Scott, MD, MSCS – Children's Hospital Colorado*

This session will discuss the latest approaches to diagnosing and treating pediatric sepsis, with a focus on the first Surviving Sepsis Campaign Guidelines dedicated exclusively to pediatric sepsis (to be released in February of 2020). Dr. Scott will highlight the most important areas of the new pediatric sepsis treatment algorithms, case examples and how to apply these guidelines in varied hospital and emergency settings.

# Agenda continued

3:00 – 3:15 p.m.

## Networking Break

3:15 – 4:15 p.m.

## Fluid Resuscitation and the Three Bears: Getting to Just Right

Mark Kearns, MD – Denver Health

Fluid resuscitation represents a mainstay in management of sepsis and septic shock. While effective volume resuscitation can improve organ perfusion and function, excessive fluid resuscitation can result in tissue injury and dysfunction. This session will focus on the evidence behind volume resuscitation and discuss current methods to assess volume responsiveness

4:15 – 4:30 p.m.

## Next Steps Discussion

## Registration Information

The registration fee is \$225 for CHA hospital and health system members, \$450 for CHA associate members and \$500 for non-members. The registration deadline is **Tuesday, March 17, 2020.**

Registration fee is waived for attendees from CHA HRET HIIN hospitals. Contact Peggy McCreary at [Peggy.McCreary@cha.com](mailto:Peggy.McCreary@cha.com) to register.

Register online at [www.cha.com/education](http://www.cha.com/education). Select the 2020 Sepsis Conference, scroll down and select "Register for this Event." (For new users, create a New User Account and contact Peggy McCreary to finalize your membership set up.)

## Payment Information

CHA accepts VISA, MasterCard and American Express.

## Hotel Information

The meeting will be held at the:

Denver Marriott South at Park Meadows  
10345 Park Meadows Drive, Lone Tree, CO 80124  
[www.marriott.com](http://www.marriott.com)  
303.925.0004

A block of rooms has been reserved at the Denver Marriott South for Monday, March 23 for conference attendees at a rate of \$199 per night.

In order to receive the discounted rate for CHA attendees, make reservations:

1. [ONLINE HERE](#)
2. By phone **877.303.0104**  
(mention Colorado Hospital Association event)

**Reserve early.** The block will not be available after March 9. Reservation made after the cut-off date will be based on space and rate availability.

## Cancellation

All cancellations and/or attendee substitutions must be submitted in writing to the CHA office via email to [Peggy.McCreary@cha.com](mailto:Peggy.McCreary@cha.com). All cancellations received before March 17 will be refunded less a \$95 cancellation fee. **After March 17, no refunds will be issued.** Registration fees cannot be transferred to another CHA program.

## Continuing Medical Education

### Accreditation Statement

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by AXIS Medical Education and the Colorado Hospital Association. AXIS Medical Education

is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

IPCE CREDIT™

This activity was planned by and for the healthcare team, and learners will receive 6.5 Interprofessional Continuing Education (IPCE) credit for learning and change.

### Credit Designation for Physicians

AXIS Medical Education designates this live activity for a maximum of 6.5 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### Credit Designation for Nursing

AXIS Medical Education designates this continuing nursing education activity for 6.5 contact hours.

*Learners are advised that accredited status does not imply endorsement by the provider or ANCC of any commercial products displayed in conjunction with an activity.*

### Credit Designation for Pharmacists

This application-based activity is approved for 6.5 contact hours of continuing pharmacy education credit JA4008106-9999-18-030-L01-P.

### Quality Professionals

Credit designation for this program is pending approval by the National Association for Healthcare Quality for a maximum of 6.5 CPHQ continuing education credits for this event.

### AXIS Contact Information

For information about the accreditation of this program please contact AXIS at [info@axismeded.org](mailto:info@axismeded.org).

## Disclosure of Conflicts of Interest

AXIS Medical Education requires instructors, planners, managers and other individuals and their spouse/life partner who are in a position to control the content of this activity to disclose any real or apparent conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by AXIS for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations.

The **faculty** reported the following financial relationships or relationships they or their spouse/life partner have with commercial interests related to the content of this continuing education activity:

<u>Name of Faculty</u>	<u>Reported Financial Relationship</u>
Sarah Kiehl .....	Nothing to disclose
Sean Townsend, MD .....	Nothing to disclose
Arjun Srinivasan, MD, FSHEA .....	Nothing to disclose
Pat Posa, RN, BSN, MSA, CCRN-K, FAAN .....	Nothing to disclose
Juliane Jablonski, DNP, RN, CCRN, CCNS .....	Nothing to disclose
Halden Scott, MD, MSCS .....	Nothing to disclose
Mark Kearns, MD .....	Nothing to disclose

The planners and managers reported the following financial relationships or relationships they or their spouse/life partner have with commercial interests related to the content of this continuing education activity:

<u>Name of Planner/Manager</u>	<u>Reported Financial Relationship</u>
Toni Foos, RN, BSN, CIC.....	Nothing to disclose
Valerie Siebert-Thomas, MS.....	Nothing to disclose

### Disclaimer

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed in this activity should not be used by clinicians without evaluation of patient conditions and possible contraindications on dangers in use, review of any applicable manufacturer’s product information, and comparison with recommendations of other authorities.

### Americans with Disabilities Act

In compliance with the Americans with Disabilities Act, we will make every reasonable effort to accommodate your request. For any special requests, please contact Colorado Hospital Association at **Peggy.McCreary@cha.com** or **720.330.6034** before the meeting dates.

### Requirements for credit:

- Attend/participate in the educational activity and review all course materials.
- Complete the CE Declaration form online by **11:59 pm ET April 30, 2020**. Instructions will be provided. If you do not enter the online portal by the above date, you will not be able to retrieve your statement of participation.
- Upon successful completion of the online form, your statement of completion will be presented to you to print.
