

# CHA Academy for Quality Professionals

## Fall 2021 Semester

The CHA Academy for Quality Professionals is offering learning opportunities in two of its five educational tracks this fall. Learn more about the five educational tracks offered by the Academy for Quality Professionals at [www.cha.com/aqp](http://www.cha.com/aqp).

### Health Care Quality Professional Certification Track

The Health Care Quality Professional Certification track is designed to help participants expand their understanding while preparing for the Certified Professional in Healthcare Quality (CPHQ) exam. This instructor-led series provides a comprehensive review of CPHQ material through six one-hour sessions. Participants will also be able to test their understanding of the content with weekly sample exam test questions. This series is intended for health care professionals ready to demonstrate their commitment to the quality profession through certification.

#### Sessions for this six-part virtual learning series will be held:

- Noon – 1 p.m. | Every other week  
Wednesday, Sept. 15 through Wednesday, Nov. 10
- Final session will be held:  
Noon – 1 p.m.  
Wednesday, Dec. 8

#### Cost:

- \$200 for members / \$400 for non-members

### Fundamentals of Quality Improvement Track

The Fundamentals of Quality Improvement track is a hands-on learning experience within the CHA Academy for Quality Professionals. Although most quality professionals are familiar with quality improvement methodologies, these tools are often underutilized when practical application can be a challenge. This series is intended for beginner to mid-level quality professionals. Participants will be guided through the process of successfully identifying, structuring, leading, and evaluating quality improvement projects.

#### Sessions for this seven-part virtual learning series will be held:
