CHABS 2023 Request for Proposals – Vendor Questions and Responses (Updated 10/19/2022):

General RFP Question:

How do we search and click on the RFPs? We try the filters by State-CO. And it gives us a list, but we can't click on any one line item. <u>(CHABS Response in Red)</u>

USAC changed the forms portal for form 461 this year so it's a little tricky but here's what I would do to find the RFPs. From the page you are on:

1. Select 17212 from the HCP Number Drop Down and Click "Apply"

2. Click the 2023 Column:

 Once you get to the 2023 posted services page, you can see the list of RFPs below the blue rectangle. Scroll down the page until the slider bar appears and scroll to the right.

General RFP Question:

I was hoping you could help me out in locating where the RFP's were for vendors? I tried this link <u>https://cha.com/broadband-services/usac/rfps/</u>

and all I get is the below:

This link should work better for you: <u>https://opendata.usac.org/stories/s/RHC-Posted-Services-Tool/8wan-j4cu</u>

Also we have more detailed instructions under the RFP FAQs section of that page.
